ABOUT KOFISI WORKSPACES

KOFISI Africa provides premium shared office and workspace for business in Africa and has 6 Centres in Nairobi - KOFISI Westlands, KOFISI 9, KOFISI Riverside, KOFISI Square, KOFISI Upperhill and KOFISI Karen and also KOFISI Ikoyi in Lagos and KOFISI Oysterbay in Dar es Salaam.

Every Centre is designed for productivity, employing industry leading workspace design, seamlessly blending the places where work is done and where people can meet, eat and hold business events.

KOFISI is pioneering the 'hotelification' of office space in Africa, offering a high standard of personal and hospitality service within each of its Centres enabling Members to focus on the task ahead.

Our award winning interior design team has been praised for its originality, use of colour and dedication to delivering workplaces that engage, enable and empower employees. Our unique approach includes a commitment to 'Made in Africa', commissioning bespoke fabrics, furniture and artwork from local and sustainable sources ensuring KOFISI has a positive impact.

NAIROBI

KOFISI 9

Westlands

KOFISI 9 is a dynamic new space for business in Kenya with specialist media facilities for broadcasters, podcasters and new media creatives. There's a beautiful designed Assembly Space with a stage, fully kitted out for Ted-style Talks and important pitches with an additional two Meeting Rooms. On the 10th Floor you'll find The Secret Garden where breakfast is served overlooking the Nairobi skyline.
